- (1) Viksit Gujarat Industrial Policy 2026
(2) Industries and Mines Department's G.R. No. MIS-102020-347965-1 Dated: 02.11.2020

Preamble

For the purpose of determining eligibility for incentives under various schemes of the Industrial Policy-2020, the Industries and Mines Department, vide Government Resolution referred to Reference No. 2 above, had classified a total of 251 Talukas into Category-I, II and III.

The Government of Gujarat has subsequently announced the Viksit Gujarat Industrial Policy-2026, providing various incentive schemes for promoting industrial development and investment in the State. Under the said Policy, it was decided that the classification of Talukas for the purpose of extending incentives under various schemes would be notified separately.

Additionally, the Government of Gujarat has recently notified the creation of new Talukas in the State. In view of the creation of new Talukas and the provisions of the Viksit Gujarat Industrial Policy-2026, it has become necessary to undertake a revised classification of Talukas for the purpose of determining the applicability of incentives under various schemes of Viksit Gujarat Industrial Policy-2026.

Resolution:-

After careful consideration, the Government is pleased to classify the Talukas into Category-A and Category-B as specified in Annexure-A attached to this Government Resolution, for the purpose of availing incentives under the Viksit Gujarat Industrial Policy-2026.

The incentive package applicable to an industrial unit shall be governed by the provisions, eligibility conditions, and other terms and conditions prescribed under the respective incentive scheme of the Viksit Gujarat Industrial Policy-2026.

The classification of Talukas specified in Annexure-A shall be applicable to various schemes under the Viksit Gujarat Industrial Policy-2026.

This issues with the concurrence of the Finance Department, vide its note dated 10.08.2026 on this Department's file of even number.

By order and in the name of the Governor of Gujarat.
